## NASSAU, BAHAMAS

March 30 - April 3, 2018

Lights, camera, action! Embark on our Hollywood DIVE OF FAME. Visit the underwater movie sets from the epic James Bond movies "Thunderball" and "Never Say Never Again." Swim around the plane from "Into the Blue" and the Cessna from "Jaws 4." Jump in to the turquoise water where the "Ray of Hope" lies, a ship that has been featured in many films and photos. Take an underwater tour of the famous "Hollywood Bowl". The reef system that earned its name after being filmed in several movies including "Pirates of the Caribbean." We will arrive everyday at the official fishing village where the 1995 movie "Flipper" was filmed. Stuart Cove's has become the most famous dive operation in world thanks to all of his help with Hollywood productions.

Nassau, Bahamas diving conditions rival or exceed those found anywhere else in the world. It offers an amazing variety of marine life including sea turtles, stingrays, and an array of reef fish. Not only does Nassau have one of the most diverse underwater habitats it is also one of the only destinations that can guarantee sharks. Besides Hollywood films, Stuart Cove's has become internationally known for numerous National Geographic shark documentaries and is home to the Discovery Channels famous "Shark Week." Come sightsee with us on this Ultimate Underwater Hollywood Adventure.
