#### HOW TO REGISTER

To register, first determine which courses you qualify for by reading the prerequisites (if you have questions call or e-mail). After you have selected the best dates for you and/or your team, you can reserve them by sending a deposit for each course you plan to take. This can be done by your team leader with a purchase order. You will be able to pick up your course manual and start reading. Final payment or purchase order number is required at least one week prior to the start of each course.
