## 2018 EVENTS

### CABIN FEVER PARTY

March 24

3 - 9 PM

Come aboard the UDC Dive Boat at our Annual Cabin Fever Party. Take a giant stride into the best party of the year. On **March 24** we will be firing up the engines and casting off the dock lines so make sure you mark it on your calendars. Dive briefing begins at 3 PM with the final night dive ending at 9 PM. Stop by for our dive trip party and spend your surface interval fueling up with the onboard refreshments. Bring your dive buddy or meet new ones. Share pictures and memories from last year and start planning this year's amazing dives. Disembark with great diving prizes during our hourly drawing.

Check out all of our 2018 events, classes, dive travel, new equipment and Master Scuba Diver Recognitions. Grab your gear from your dive locker and join the Underwater Dive Center Crew. To reserve your spot on the dive boat, stop by the store, give us a call or sign up on-line. **Tickets are only \$1** just to ensure we have enough food & beverages. Your ticket also includes you in the hourly raffle.

### DRIVE IT & DIVE IT CHALLENGE

1 Tank Adventures

We all love our local diving and this year we're making it a challenge to ourselves to dive more of our local dive sites. Up for some One "Tank" trips? Actually we want to use a lot more than one tank – let's go diving. Here's how it works: Sign up for free either on-line or in the store to take the challenge with us. Download the list of dive sites that are included in the challenge either off of our web-site or stop in the store. All the sites are accessible within one tank of fuel for your vehicle, and you'll dive at least one tank of air at each. Drive to one of these great sites and dive! Take a photo of yourself at the dive site and either email it to us or upload it to our Facebook page. When you have completed at least 5 of these sites in 2018, you will have earned our commemorative Drive It and Dive It T-shirt and a place on our tally board at Underwater Dive Center. Your name will be displayed for everyone to see. If you don't have a dive buddy, no problem. We will be visiting all the places throughout the summer. Stay tuned to our Facebook and email news. We'll encourage divers to learn from each other about these great dive sites, and perhaps coordinate these great day trips!

### HOW TO USE & CHOOSE A DIVE COMPUTER

May 17

7 - 9 PM

Dive computers are perhaps the least understood piece of diving equipment. Very few divers are aware of the many differences between models and brands, and more importantly what that means to you, the diver using it. Everyone wants one, lots of divers buy them, but we have found that very few really know how they work. Sign up for our FREE Dive Computer seminar and learn how they work, what all the differences mean to you, and most importantly how to dive safely with one. This seminar is one of our most popular. Join us and unlock the mystery of dive computers.

### UNDERWATER PUMPKIN CARVING

October 14

Join us this fall as we dive back into everyone's favorite Halloween tradition with a twist. You think carving a pumpkin is easy? Well make sure you bring all of your diving gear because you will be carving this one underwater and with a dive knife! The location is White Star Quarry. There will be a small fee for your pumpkin and entry fee. Stay tuned to this fun fall event.

### REFERRAL PROGRAM

Friends and Family

Do you have a friend or family member interested in taking Scuba classes? Refer them to Underwater Dive Center and make money. The program is very simple. Have your friend or family member give your name when they sign up for their Open Water course and once it is paid in full, you will receive a \$10. Gift Card. There is no limit to how many Gift Cards.

### CALLING ALL RESCUE DIVERS

Rescue Divers, want to see the other side? How about a free opportunity to refresh your skills? Join us for one of this year's Rescue classes and play victim while the students rescue you. You'll not only have a lot of fun, but you will be exposed once again to the roles of victim and rescuer under the guidance of one of our Instructors. No cost, just give us a call and tell us yes, I'm ready to do some rescue work.

# DIVE EXCURSIONS

## Travel to A New World

### Reasons why you should travel with Underwater Dive Center:

- **Experience:** All of our trips are escorted by a Professional Instructor, experienced in group travel. They are always on hand to help you enjoy every aspect of your dive vacation.
- **Cost:** Our pricing is always based on group rates set up for dive professionals. You get more for your money than traveling alone.
- **Special Treatment:** Not only does your trip leader look out for your interests, but the operators involved want to please the group. They want to get the word-of-mouth and repeat business.
